

NOTICE TO ALL BELMONT USERS

Belmont Users,

Armstrong County has partnered with the Department of Health (PA-DOH) and AMI to open a COVID-19 testing site at the Belmont Complex beginning Thursday, January 28 and ending Monday, February 1, 2021. Set-up for the site will begin Wednesday, January 27, 2021. The AMI testing site will be open to anyone who feels they need a test.

Testing will be available daily from 9:00 AM to 6:00 PM starting Thursday, January 28 through Monday, February 1. It will be a drive-thru testing site located at the Belmont Complex, 145 Butler Road, Kittanning, PA 16201.

Hockey games and practices will still proceed as scheduled during this time as normal. The upper lots of the Belmont will not be utilized by the testing and will be available for your parking.

This drive-thru testing will result in higher than normal traffic at the Belmont Complex. We ask you to please be mindful of this when arriving for or departing from your practices and/or games.

We thank you all for your continued support of the Belmont Complex, and of this opportunity to bring testing to our community.
